Dear Parents and Carers,

Mini Pots of Care

Mini Pots of Care is a creative and educational fundraising activity for schools and groups where children can learn about science and nature, as well as the work of Marie Curie Cancer Care. It is a great opportunity for children to have fun, whilst raising valuable funds for the Marie Curie Nursing Service.

The children in Foundation/KS1 will each plant their own daffodil bulb, and this will be kept outdoors at school, until the Spring term, when we will bring them in and watch them grow and bloom.

We will then follow this up with a Mini Pots of Care Day, when the children will decorate their pot, and we will be asking the children to gather donations for the Marie Curie Cancer Care Charity. We would like the children to wear something yellow (a ribbon, a scarf, socks?) on this day, (date to follow). We will send home a donation envelope for your child to collect their money.

We thank you in advance for your support, and hope this will be a fun and successful project.

Yours sincerely,

Mrs K Potter
Foundation Stage Coordinator
